

All Entry Solutions Ltd.

Environmental Policy Statement

Purpose:

At All Entry Solutions, we recognise our responsibility to protect the environment and are committed to sustainable business practices that minimise our environmental impact. This Environmental Policy Statement outlines our principles and objectives to ensure a positive contribution to environmental conservation and management.

Policy Statement:

All Entry Solutions is committed to:

1. **Environmental Compliance:** Ensuring full compliance with all applicable environmental legislation, regulations, and codes of practice.
2. **Pollution Prevention:** Identifying and reducing sources of pollution and waste across all aspects of our operations.
3. **Resource Efficiency:** Promoting the efficient use of energy, water, and raw materials to minimize waste and conserve natural resources.
4. **Sustainable Practices:** Integrating sustainability considerations into our decision-making, products, services, and business processes.
5. **Continuous Improvement:** Regularly assessing and improving our environmental performance through established objectives, targets, and monitoring systems.
6. **Employee Engagement:** Providing training, resources, and opportunities for employees to contribute to environmental initiatives and promoting environmental awareness at all levels.
7. **Stakeholder Collaboration:** Working with clients, suppliers, and other stakeholders to encourage environmentally responsible practices throughout the supply chain.
8. **Carbon Footprint Reduction:** Implementing strategies to reduce greenhouse gas emissions and actively supporting initiatives aimed at addressing climate change.
9. **Biodiversity Protection:** Supporting initiatives that protect and enhance biodiversity and ecosystems in areas where we operate.

Responsibilities:

- **Management:** Management is responsible for leading by example, allocating resources, and ensuring the effective implementation of this policy.
- **Employees:** Employees are responsible for adhering to environmental guidelines and actively participating in sustainability initiatives.

Review and Accountability: This policy will be reviewed annually or as needed to ensure its continued relevance and effectiveness. We hold ourselves accountable for implementing this policy and achieving its objectives.
